- (t) Josef Jonas. Deputy Minister of Foreign Trade after  
Mr. Evzen Loebl's arrest. [redacted]

2. [redacted] the present Chief of the Tenth  
Section (Cadre) [redacted] arrived at the Ministry recently to  
replace Dr J Hruza. His position is one of the most important  
in the Ministry because he is responsible for all personnel.  
His department collects detailed information about each  
person in the Ministry and is responsible for sending Ministry  
employees abroad. The Chief of the Tenth Section is also  
in direct contact with the Ministry of National Security and  
with the Cadre Department of the Central Committee of the  
Communist Party.
3. A Fifth Deputy Minister should be appointed to head the Tenth  
and Eleventh Sections, but since the "Deputy Minister"  
positions were established, this position has been vacant.  
[redacted] a  
Josef Nun, Deputy Minister of National Security, would be  
appointed as the Fifth Deputy Minister.
4. Until the arrest of First Deputy Minister Evzen Loebl, it  
had been rumored that Minister Dr Antonin Gregor was merely  
the nominal head of the Ministry of Foreign Trade and that  
Loebl actually controlled the Ministry. Since that time,  
however, Dr Gregor has had full powers. Next to Dr Gregor,  
Jan Soucek is considered to be the most powerful and  
influential member of the Ministry. However, there are still  
some members of the Ministry who consider Soucek to be its  
real head.
5. Only those ministries which are headed by non-Communists  
(e g, Health, Post, Transport, Building Industry) are under  
the actual control of Communist deputies. All other ministries  
headed by Communists are under the control of the Minister.
